

KALIQUE ABRASAX (CONT'D)  
I am Kalique.

JUPITER JONES  
Jupiter Jones.

As they shake hands, Kalique stares at her with the strange  
unease of a daughter meeting her deceased mother.

KALIQUE ABRASAX  
I'm sorry for staring but it's really  
quite astonishing.

JUPITER JONES  
What?

KALIQUE ABRASAX  
It will be easier to show you.

Imagine it for me? Meeting your mother  
long after she passed away.

JUPITER JONES  
But I'm not your mother.

KALIQUE ABRASAX  
Your planet is just now entering its  
Genetic Age. You understand very  
little about something that is a vital  
part of our reality. In our world,  
genes have an almost spiritual  
significance. They are the seeds of  
our immortality. When the exact same  
genes reappear in exactly the same  
order, it is for us what you would  
call, reincarnation.

JUPITER JONES  
How could I be a reincarnation of your  
mother unless your mother was from  
Earth?
